E. Everett
Cambridge 3 June

1847.

Dear Sir,

I duly received Your note of the 31st inst.; as far as I am concerned I fully approve Your kind-hearted suggestion about Mr. Carter. I will lay it before the Corporation at their meeting on the 12th.

I return Your key of the Academy's Room. The Antiquarian Society took very
Dr Gray.

Kindly the offer of the
Academy, for which an
official acknowledgment
will soon be made. —

Will you have the goodness
to send me the list of
the Committee of Nominations
raised on Mr Percival's motion.

I hope it is not too
late to offer you my cordial
congratulations on your recent
engagement. I have not
the pleasure of the Lady's

acquaintance, not having
mingled much in Boston
Society for many years.
Her father is one of the
Men I most honor &
esteem, & I can easily
believe the daughter to
be all that your preference
implies. — I wish you both
all the happiness, which
this anxious world admits.
I am, Dear Sir,
with great regard
